### WITNESSES, NOT RECORDS. . Court of Appeals Reverses a Conviction in False Registration Case.

ALBANY, Jan. 27 -The Court of Appeals has reversed the conviction of Thomas E. Bromwich, found guilty in General Sesand sentenced to a term of imprisonment in the penitentiary. Bromwich was convicted for false registration in the Thirtyfifth Assembly district in 1909, based on ALBANY, Jan. 27. - A substantial part of his affidavit that he was born in England

consisted of certificates by the clerks of the various courts at Bridgeport to the ments:

First assistant journal clerk, Edward Murphy, Orleans, \$1,500; second assistant maturalization of Bromwich. These certificates had the official seals of the courts ground. The total vote was:

## Kind of Farming That Pays

New York State has a 2,000 acre vegetable farm which is one of the most valuable farming properties in the East, a farm that is as independent as a European principality, with 700 farmhands as its yeo-manry, and all the result of a marsh land reclaimed by scientific farming on a wonderful scale. It is just fifty years since Matthew Vassar founded a female college, and in an article on
